

Email from **Sir Roger Gale MP** referencing the statement reproduced above

14 January 2013

Dear Mr Dexter,

Thank you for your recent communication and for your observations in relation to same sex marriage.

I attach an article that I think does set out my own views very clearly.

Please be assured that, notwithstanding the fact that we find ourselves I think in a Parliamentary minority, I shall continue to press what I believe to be the right and proper course of action.

With my best wishes,
Yours sincerely,

ROGER
